

“My bounty is as boundless as the sea”

– *Romeo and Juliet*

The Vancouver International Wine Festival has raised some \$650,000 for Bard on the Beach Shakespeare Festival since we joined forces in 2013.

Thank you to everyone – festivalgoers, wine agents, wineries, industry partners, consulate generals, restaurant community, sponsors, volunteers, board members, gala committee, event chairs, committee members and staff – whose generous support helped create an extraordinary festival and made this contribution possible. We couldn't have done it without you.

Raising a glass at the Bacchanalia Gala Dinner + Auction fundraiser are VIWF executive director Harry Hertscheg, winery owner Barone Francesco Ricasoli of Italy, Bard on the Beach executive director Claire Sakaki and Bard on the Beach artistic director Christopher Gaze. Photo Daniela Ciuffa.
