

Wine and Dine at VanWineFest

Whether it's Family Day, Valentine's Day or just any day, you deserve to indulge yourself with an incredible evening of wine and food. The Vancouver International Wine Festival's winery dinners and Saturday lunches are sure to please your palate and treat your taste buds.

SUMPTUOUS WINERY DINNERS

Winery dinners are an amazing way to explore a winery's portfolio through a multi-course meal, with imaginative pairings designed to complement each wine. The price you see is all inclusive - wine, food, taxes and gratuities - an amazing deal! But don't delay - winery dinner sales end **Thursday, February 2**.

"You simply cannot go wrong with dinner events at the festival. They are an experience like no other, a great way to enjoy an evening with friends. And if you're in business, they're an absolutely unparalleled way to entertain clients. The wine producer is on hand to discuss the wines, the chef is there to talk about the food, and the whole event is a thrill."
