THE 39TH VANCOUVER INTERNATIONAL WINE FESTIVAL

FEBRUARY 11-19, 2017

1,700 wines * 180 wineries * 16 countries * 54 events * 8 days * 25,000 attendees

Welcome to the 2017 Vancouver International Wine Festival, Canada's premier wine show. The Tasting Room is the heart of the festival, where all 180 wineries gather together in one room to showcase their wines. Here are some tips to make the most of your tasting session.

- Plan your route – take a moment to look through the wineries and their wines and mark your must-tastes.
- Be international – try a wine from all 16 countries (and all three Canadian provinces).
- Try something new – you could find your next go-to or special occasion wine.
- Take pictures, make notes, give the wines a star in the program or on the VanWineFest app. You'll want to remember what you liked later!
- Look for the blue lanyards – those are worn by top winery personalities here to share their wines and stories with you.
- Share the space – step away from the table once you've received your taste and asked your questions.
- Use the dump buckets – you don't have to finish every drop. Save your palate for the rest of the session!
- Pick up your favourite wines in the on-site BC Liquor Store – you can check your purchase and return to the room, then have them delivered to your local store.
- You can also get your favourite wines "Buy the Case" right at the winery table. Look for specially marked bottles.
- Don't Wine and Drive – pick up a complimentary transit ticket at the Get Home Safe Booth on your way out.

Message from the Province of British Columbia

The Honourable Christy Clark, Premier of British Columbia

Welcome to Vancouver. Whether you've come from elsewhere in British Columbia or halfway around the world; whether you're in the industry, or a dedicated enthusiast – you're here because you love wine. It's an honour to welcome you to the 39th annual Vancouver International Wine Festival.

In honour of Canada's 150th birthday, this year's festival will celebrate Canadian wines from coast to coast – from B.C.'s Okanagan Valley, to the Niagara Peninsula and Essex County regions of Ontario, to the growing regions of Nova Scotia. Canada's unique climates produce an abundance of varietals that have earned their place at the international table, ready to fascinate the pickiest palates.

Here in B.C., we take great pride in the quality and growth that our wine industry has created. Since 2001, the number of wineries has grown from 70 to over 320. These wineries contribute \$2 billion of economic impact, and provide over 10,000 jobs. Over 1.5 million tourists annually come from around the world to take in our unmatched scenery and taste our unique wines made with love and determination.

I would like to thank the organizers of the Vancouver International Wine Festival for their commitment to making this festival one of the biggest in North America and for giving Canadian and especially B.C. wines this special opportunity to shine on the international stage. I hope you will all raise a glass of – and to – Canadian wine.

Santé!

Christy Clark
Premier of British Columbia

ABOUT THE FESTIVAL

The Vancouver International Wine Festival, Canada's premier food and wine event, has three mandates: to provide an informative, educational and entertaining wine experience for public and trade; to be a premier marketing opportunity for the wine industry and festival partners; and to raise funds for the Bard on the Beach Theatre Society. The primary fundraising event is the spectacular **Bacchanalia Gala Dinner + Auction**, which opened festival week at the Fairmont Hotel Vancouver on Saturday, February 11.

VanWineFest grew from humble roots as a fundraising initiative for the former Vancouver Playhouse Theatre Company, dreamed up by the late John E. Levine. The inaugural festival in 1979 featured one vintner – Robert Mondavi – and saw approximately 1,000 people attend the two-day event at Hycroft mansion. By 1982, the festival attracted 45 California wineries, becoming known as the California Wine Festival. The ninth festival in 1987 was the first multi-national event, with wineries from seven countries showcasing their wines and the next year, VanWineFest moved to the Vancouver Convention Centre, where the International Festival Tastings have been held ever since.

In 1996, VanWineFest began shining the spotlight on specific wine regions or countries each year, with the French wine region Bordeaux as the inaugural theme (and Canada as the theme in 1997). This year, the theme country is Canada, with 76 wineries participating from British Columbia, Ontario and Nova Scotia.

Today VanWineFest attracts some of the biggest industry names from around the world and is firmly established as the continent's premier wine event and among the biggest, best and oldest wine events in the world. It features wine tastings and pairings, wine dinners and luncheons, educational seminars and culinary competitions. This is a rare opportunity to meet owners, winemakers and senior representatives from wineries around the globe.

REGIONAL TASTING STATIONS

The Tasting Room features 180 wineries pouring 710+ wines. But the International Festival Tastings are more than a tasting; they're an opportunity to explore all of the wines of the world, and to find new and exciting ways to enjoy them. In addition to the individual winery tables, these regional tasting stations allow festivalgoers to explore the unique wines of a specific area of the wine world.

Wine Australia for Australian Wine **AUSTRALIA: HISTORY AND EVOLUTION – A**

Australia's wine roots are steeped in over 200 years of winemaking and wine styles across the country are continuously shifting to challenge the perceptions of today's wine connoisseurs. Join us to taste wines from multi-generational families, old vines and ancient soils; explore the evolution of classic wines, the introduction of new varieties and innovations in winemaking.

DISCOVER BRITISH COLUMBIA'S DIVERSITY – W

Discover the distinct characteristics of British Columbia's diverse bounty. Try eight feature flights of three BC VQA Wines each designed to explore our unique terroir, range of varieties and abundance of styles. **Whites flights:** Chardonnay, Pinot Gris, Riesling and Aromatic blends. **Red flights:** Pinot Noir, Cabernet Franc, Syrah and Bordeaux Blends.

NEW ZEALAND: AN INDELIBLE EXPRESSION OF PLACE – C

It has been said that there is no wine anywhere in the world that tastes like wine from New Zealand. Come and taste Marlborough's sub regions as well as terroir from other regions as we showcase our two most renowned grape varieties: Pinot Noir and Sauvignon Blanc. Experience the balance of extraordinary purity and intensity of flavours set around impressive aromas and vibrant acidity.

TIDAL BAY APPELLATION: WINE FOR NOVA SCOTIA – V

Come and check out Nova Scotia's signature white wine, Tidal Bay. Taste 12 expressions, all from vintage 2015, that brilliantly reflect the terroir, coastal breezes and cooler climate of their birthplace. Experience the passionate, artisan winemakers and the classic Nova Scotia style with lively fresh green fruit, dynamic acidity and characteristic minerality.

SPAIN IS WINE – D

Passion, excitement, diversity and originality are all found at the Regional Table of *Wines from Spain*. Come and join us to discover some of the famous and not-so-famous – yet indigenous – grape varieties found all over Spain! From exciting reds like Monastrell and Mencia to Garnacha and Tempranillo, and whites including Albariño and Verdejo, Godello and Viura, they can all be tasted at the same table. Let us tantalize your tastebuds.

BUY THE CASE

Many of the Tasting Room wines can be ordered BUY THE CASE from representatives at the winery tables! These wines are identified with the BUY THE CASE neck tags. Orders will be processed at the conclusion of the festival and shipped to your preferred BC Liquor Store.

Bard on the Beach Shakespeare Festival - The Wine Festival's Charitable Beneficiary

Bard's Mission: To perform, explore and celebrate the genius of William Shakespeare.

Celebrating its 28th season in 2017, **Bard on the Beach Shakespeare Festival** is one of Canada's largest not-for-profit, professional Shakespeare festivals. Taking place in a magnificent waterfront setting in Vanier Park, Bard stages four plays and special events in two modern performance tents every summer. The 2017 season runs from **June 1 to September 23**, opening with *Much Ado About Nothing* on the BMO Mainstage, playing in repertory with *The Winter's Tale*. On the Howard Family Stage in the Douglas Campbell Theatre, *The Merchant of Venice* will alternate with *The Two Gentlemen of Verona*, with a short-run production of Mark Leiren-Young's *Shylock* playing in September.

Bard employs a team of exceptional actors, directors, designers and technicians each season, along with year-round administrative staff and teaching artists; it is also supported by more than 250 volunteers. Bard's season attendance reached over 100,000 in 2016 and more than 1.5 million patrons have enjoyed the Bard experience since 1990.

Bard's education programs include the popular *Young Shakespeareans Workshops* for youth, offered at the site and during the off-season. There are workshops for students and teachers during the school term, professional development sessions for theatre artists, and new programs for all ages at the BMO Theatre Centre, Bard's administrative home, and in the community.

Bard is extremely proud and honoured to be the Vancouver International Wine Festival's charitable recipient. The partnership helps Bard maintain its signature high artistic standards and educational programs while also keeping its programming affordable for local residents and city visitors.

DISCOVER CANADA

FEATURING THREE DISTINCT WINE REGIONS

The 2017 Vancouver International Wine Festival brings together wineries from across Canada featuring Wines of Nova Scotia, VQA Wines of Ontario and Wines of British Columbia. With over 70 wineries from three provinces, discover the diversity of our local wines and find out why the world is calling us the most exciting New World wine region.

Canada's wine regions are primarily located between 41° and 50° North, similar to many acclaimed wine regions in the world. The characteristics of Canadian wines are rooted in the elements and the pristine nature that surround us. Ontario's limestone bedrock and its proximity to the Great Lakes make for wines that are especially food-friendly by achieving a fine balance between acidity, alcohol and fruit expression. The coastal breezes and cooler climate of Nova Scotia create fresh and crisp whites, with characteristic minerality. British Columbia has the unique combination of extreme heat and cold that results in intense fruit-driven, fresh and structured wines.

Each distinct wine region has its own unique mesoclimate, soil ecology and topography, where vineyards thrive in soils rich in glacial deposits, benefiting from the moderating effects of nearby bodies of water. Canadian winemakers embrace and celebrate this regional diversity, striving to express the best qualities of their appellation in each bottle and show why Canada's cool climate wines are amongst the best in the world.

We welcome you to discover and take a journey through Canadian wine country.

"Canada is on the verge of breaking out big time on the world wine map."

- Ian D'Agata Wine Columnist, Vinous & Former Contributing Editor, Decanter

There are five regions of geographic indication (GI) in the province: Vancouver Island, Gulf Islands, Fraser Valley, Similkameen Valley and the Okanagan Valley. The Okanagan Valley is BC's premier grape growing region. An everchanging panorama, the Valley stretches over 250 kilometres across numerous sub-regions, each with different soil and climate conditions suited to a growing range of varieties. Cooler climate varieties like Riesling, Pinot Gris, Chardonnay and Pinot Noir thrive in the North Okanagan, while the South Okanagan provides ideal conditions for ripening Merlot, Cabernet Sauvignon, Cabernet Franc and Syrah/Shiraz. The Okanagan Valley is also home to British Columbia's first sub-appellation, the Golden Mile Bench where 791 acres of vineyards are sited on an alluvial fan that was deposited during the last glacial episode.

Although the modern winemaking industry is still young by world standards, the growth of the wine industry in British Columbia has been exponential over the past 26 years. In 1990 there were just 17 wineries in British Columbia; today, there are over 272 wineries, welcoming 800,000 winery visitors each year.

WINES OF NOVA SCOTIA

Nova Scotia is making its mark for its aromatic white and sparkling wines, which leverage the region's cool Maritime climate, the temperate influence of the ocean and complement the province's abundant seafood.

A wine with unique character, Nova Scotia's signature appellation, Tidal Bay, brilliantly reflects the terroir, coastal breezes and cooler climate of its birthplace. World-class craftsmanship brings a distinctive brightness and nose that's fresh yet complex. The palate is dryishly crisp, with a full body that lingers in every sip.

This white, crisp blend of varieties often features the grape dubbed 'Nova Scotia's equivalent to Chardonnay', L'Acadie Blanc. The Tidal Bay designation ensures that all wines must be made from specific 100% Nova Scotia grown grape varieties, following a strict set of standards and approved annually by an independent tasting panel, at which all wines are tasted blind.

The region's near perfect climatic conditions for making sparkling wines has encouraged a regional specialization in Traditional Method sparklings, which are quickly gaining international attention.

The province has five main growing areas: Annapolis Valley, Avon River Valley, Malagash Peninsula, LaHave River Valley and Bear River Valley.
