SNAPSHOT

Vancouver International Wine Festival has been described as “the largest wine festival in the Americas” with 25,000+ admissions. It is Canada’s premier wine show and widely considered to be one of the best wine events in the world. At age 41, it is also among the oldest. Its slogan is “The Wine World is Here”. For the past seven years, VIWF has been voted the #1 Food, Wine & Hospitality Event in Canada by New York’s BizBash and was recently named the Best International Wine Festival – North America by LUX Life Magazine.

The festival typically features over 50-55 events; for 2020 there are 44 for public and 13 trade-only events. The heart of the festival is the Tasting Room, where the public can choose from ~725 wines at four International Festival Tastings (IFT), and industry professionals can sample those plus an additional ~150 wines at two Trade Tastings. Special events orbiting the Tasting Room (seminars, vintage tastings, dinners, lunches, brunches, wine minglers, etc.) serve another ~575 wines.

The 3-day Trade Days Conference (February 26-28) offers the trade opportunities to grow their wine knowledge at seminars, tastings and networking lunches. VIWF presents coveted Celebrating Excellence trade awards which include Sommelier of the Year (chosen by CAPS), Spirited Industry Professional (SIP) Award, Wine Program Excellence and Vintners Brunch Pairing Competition; they are announced at the Celebrating Excellence: Annual Awards Lunch (Feb 28 in 2020).

This international festival typically serves wines from ~15 countries. There is a focus on a different region or country every year (France in 2020); the featured region has its own section in the Tasting Room and offers thematic seminars and food and wine events throughout the week.

PURPOSE

VIWF has three primary mandates:
1. provide an informative, educational and entertaining wine experience for consumers and trade;
2. serve as a premier marketing opportunity for the wine industry; and
3. raise money for the performing arts in Vancouver.
