## CONGRATULATIONS TO OUR VINTNERS BRUNCH WINNING CHEFS

Thank you to all the wineries, restaurants, caterers and suppliers that make the signature Vintners Brunch a perennial success. Our participating chefs each created a dish to pair with a specific festival wine, and brunch-goers enthusiastically toured the food and wine stations to select the People's Choice pairing award, while a quartet of wine and food professionals – wine scribe **Tim Pawsey** of HiredBelly.com; food, travel and wine writer, **Joanne Sasvari**; sommelier **Josh Clark** of Victoria's Il Terrazzo Ristorante; and VIWF executive director **Harry Hertscheg** – determined the Judges' Choice.
