Wines of Chile salutes
Festival wine lovers and
participating wineries.

Love Wine,
Love Vancouver!

Chile's exceptionally fertile soils in its valleys and crystal clear waters flowing down the Andes make it a winemaker's paradise. From great value wines to fines wines, Chile has it all: luscious, velvety reds like Cabernet Sauvignon and Carmenere, and zesty, tropical whites like Sauvignon Blanc and Chardonnay.

Taste our wines and fall in love with Chile.

INTERNATIONAL
WINE FESTIVAL

The Wine World is Here

44th Vancouver International Wine Festival

1,135 wines • 17 countries • 147 wineries • 36 events • 8 days • 18,000 attendees

Welcome to the 2023 Vancouver International Wine Festival, Canada's premier wine show. The Tasting Room is the heart of the festival, where all 147 wineries gather together in one room to showcase their wines. Here are some tips to make the most of your tasting session.

- Plan your route – take a moment to look through the wineries and their wines and mark your must-tastes.
- Be international – try a wine from all 17 countries (then see if you can find the extra wines from Bolivia at the South America Tasting Station, and South Africa at the AdVini table).
- Try something new – you could find your next go-to wine.
- Make notes, take a picture, give the wine a star. You'll want to remember what you liked later!
- Look for the blue lanyards – those are top winery personalities here to share their wines and stories with you.
- Share the space – step away from the table once you've had your taste and asked your questions.
- Use the rinse stations – you don't have to finish every sample. Save your palate for the rest of the session!
- Pick up your favourite wines in the on-site BCLIQUOR store – you can check your purchase and return to the room, then have them delivered to your local store.
- Don't drink and drive – pick up a complimentary transit ticket at the Get Home Safe Booth in the liquor store.

The Vancouver International Wine Festival operates on the unceded traditional territories of the xʷməθkʷəy̓əm (Musqueam Indian Band), Sḵwx̱wú7mesh (Squamish Nation), and səlilwətaɬ (Tsleil-Waututh Nation).

About the Festival

The Vancouver International Wine Festival, Canada's premier food and wine event, has three mandates: to provide an informative, educational and entertaining wine experience for public and trade; to be a premier marketing opportunity for the wine industry and festival partners; and to raise funds for the Bard on the Beach Theatre Society, which has been the charitable beneficiary since the 2013 festival.

VanWineFest grew from humble roots as a fundraising initiative for the former Vancouver Playhouse Theatre Company, dreamed up by the late John E. Levine. The inaugural festival in 1979 featured one vintner – Robert Mondavi – and saw approximately 1,000 people attend the two-day event at Hycroft, the Shaughnessy mansion owned by Vancouver's University Women's Club. By its fourth year, the festival had grown to attract 45 California wineries, becoming known as the California Wine Festival. The ninth festival in 1987 was the first multi-national event, with wineries from seven countries showcasing their wines. In 1988, VanWineFest moved to the Vancouver Convention Centre, where the main International Festival Tastings have been held ever since.

In 1996, VanWineFest began shining the spotlight on specific wine regions or countries by featuring a new area each year, with the French wine region Bordeaux as the inaugural theme. This year, the theme region is South America, with 44 wineries featured. We're also shining a global spotlight on sparkling wine, so there are plenty of bubbles in the room.

Today, VanWineFest attracts some of the biggest industry names from around the world and is firmly established as the continent's premier wine event and among the biggest, best and oldest wine events in the world. It features wine tastings and pairings, gourmet dinners and luncheons, educational seminars and culinary competitions, wine parties and a charity wine auction and gala dinner.

This is a rare opportunity to meet owners, winemakers and senior representatives from wineries around the globe. For either the experienced wine lover or the novice, the festival has something to please every palate and pocketbook.

Bacchanalia GALA DINNER + AUCTION

The main fundraising event for our charitable beneficiary, Bard on the Beach Shakespeare Festival, is the annual Bacchanalia Gala Dinner + Auction, presented by National Bank Private Banking 1859. It's one of the most spectacular wine and food events in the city – an evening of incredible wine, inventive food pairings, and unparalleled opportunities to enhance your wine cellar.

- Saturday, April 22
- Fairmont Hotel
Vancouver
- 6–11 p.m.

The 2023 Bacchanalia Gala kicked off with a Champagne reception at 6 p.m., and featured nine additional outstanding wines paired with an exquisite five-course menu prepared by the Fairmont Hotel Vancouver's culinary team. All of this was topped off with music and dancing. And if that's not enough, live and silent auctions throughout the evening featured extremely rare wines, and epicurean packages featuring arts and culinary experiences. A must for any serious wine collector!

Stay informed.

The Import Vintners & Spirits Association of British Columbia is a non-profit association formed in 1975 by a small group of liquor agents who felt a united voice should be heard when communicating with the B.C. Liquor Distribution Branch. The agent members account for approximately 85% of all imported beverage alcohol in British Columbia.

Bard on the Beach – VanWineFest's Beneficiary

Bard on the Beach is honoured and grateful to be the Vancouver International Wine Festival's charitable beneficiary. The partnership helps Bard maintain its high artistic standards and educational programs, as well as supporting accessible ticket prices for local residents, students and city visitors.

Bard is one of Canada's largest not-for-profit professional theatre festivals, staging plays and special events every summer in modern theatre tents in a spectacular waterfront setting. The 34th Season, from **June 8 to September 30**, includes the return of the hit Beatles music-filled *As You Like It* to the BMO Mainstage, along with *Julius Caesar*; *Henry V* and *Goblin:Macbeth* are on the Howard Family Stage. Full details at bardonthethebeach.org

Bard engages exceptional actors, directors, designers and technicians each season, plus year-round administrative staff and teaching artists, and engages over 350 volunteers. Over 2 million patrons have enjoyed the Bard experience since 1990.

Bard's innovative education programs include Summer Camps for children and youth, workshops for students and teachers, professional development events for theatre artists, and programs for all ages at the BMO Theatre Centre, Bard's administrative home, and throughout the community.

The Festival is located at the site of Senákw/Vanier Park, on the ancestral lands of the xʷməθkʷyəm (Musqueam), Skw̱y̱wú7mesh (Squamish) and səl̓ílwətaʔ (Tsleil-Waututh) peoples.

Celebrating SOUTH AMERICA

A Wine Journey Off The Beaten Path

South America is arguably the most important wine continent outside of Europe, but for many wine drinkers it begins and ends at big reds and good value wines. You may be familiar with Mendoza, but what about its many storied sub-regions? You love Chilean wine, but how many valleys can you name? And unless you're a regular attendee of VanWineFest, you may not even know that Uruguay produces fantastic wines, much less Brazil, and Bolivia.

Exploring the 44 wineries from Argentina, Brazil, Chile, and Uruguay are a great way to discover new varieties, new regions, and new producers. Look for our visiting vine stars wearing the blue lanyard. They've come a long way to share their wines and stories with you!

CELEBRATE SOUTH AMERICA TASTING STATION WINES

The 2023 Vancouver International Wine Festival is a great way to explore the continent to our south and discover what the other America has to offer. Make sure you visit the South American Tasting Station for a continental wine journey.

Celebrating SOUTH AMERICA

For the first time ever, the Vancouver International Wine Festival is featuring an entire continent as its theme region. The spotlight shines on the wines of South America at the 2023 festival, with 44 wineries representing four countries – Argentina, Brazil, Chile, and Uruguay – participating in a range of special events throughout festival week. South America is the second most important wine producing continent after Europe, with Argentina, Chile, and to a growing extent Brazil and Uruguay, making ever-wider ripples in the wine world.

Wine came to South America as part of the Colombian Exchange, as the Spanish conquistadores needed a regular supply of their favourite tipple. The Criolla varieties planted then are still found throughout South America, but have been supplanted by international varieties, particularly Cabernet Sauvignon, Chardonnay, Merlot, and Sauvignon Blanc. But South America has made a mark with unique, lesser-known varieties such as Malbec, Torrontés, and Bonarda in Argentina, Carmenere and País in Chile, and Tannat in Uruguay.

ARGENTINA

Argentina is the sixth-largest wine producer in the world, accounting for nearly 4.5% of the world's production, and South America's fastest growing exporter of wines. There's more to Argentina than Malbec, though Argentina gave the variety a new lease on life when it was imported from Bordeaux in the mid-19th century. If Malbec is king in Argentina, then Torrontés is the white queen of Salta. More recently, the emerging regions in Patagonia are producing excellent Pinot Noirs.

Key regions:
Mendoza, San Juan, Salta, La Rioja, Catamarca, Neuquen, Río Negro

Main varieties:
Malbec, Bonarda, Cabernet Sauvignon, Syrah, Torrontés, Chardonnay, Criolla Grande

BRAZIL

The festival is thrilled to welcome a winery from **Brazil** for the first time ever. This rapidly growing wine country is making a mark, particularly with spectacular sparklers. In fact, more than 20% of Brazil's wine production is sparkling wine. Although only the third-largest producer of wine in South America, Brazil has 82,000 hectares of vineyards (nearly seven times more than all of Canada), though much of it produces table grapes. It wasn't until the 1970s, however, when several multinational companies began investing in Brazil's wine infrastructure that top quality wines began to emerge.

Key regions: Serra Gaúcha, Serra do Sudeste, Campanha

Main varieties:
Chardonnay, Merlot, Cabernet Sauvignon, Sauvignon Blanc

CHILE

Chile is the second-largest wine producing country in South America (#9 in the world), but the fourth biggest exporter of wine in the world after France, Italy and Spain. Once known mainly as a source of decent low-priced wine, Chile is now making spectacular varietal wines, after undergoing a dramatic technological revolution. Chile produces the vast majority of the world's Carmenere, previously thought extinct until DNA analysis showed that what was previously thought to be Merlot was actually Carmenere. Never touched by phylloxera, Chilean wines don't need to be grafted.

Key regions:
Aconcagua,
Casablanca, Maipo,
Colchagua, San
Antonio, Limari,
Maule

Main varieties:
Carmenere,
Chardonnay,
Sauvignon
Blanc, Cabernet
Sauvignon, Merlot,
Albariño

URUGUAY

Winemaking in **Uruguay** is a more recent phenomenon than in other parts of South America, with the modern industry dating back to 1870, the same year Tannat was introduced to the country by Basque settlers. Tannat is high in polyphenols, making it one of the healthiest wines to imbibe. Most vineyards are concentrated north of the capitol Montevideo, but there are vineyards in throughout the country. The Uruguayan wine industry had advanced significantly in the last twenty years, as it fights to compete with Chile and Argentina.

Key regions:
Canelones,
Maldonado,
Montevideo

Main varieties:
Tannat, Merlot,
Chardonnay,
Muscat Blanc

OTHER WINE PRODUCING COUNTRIES

Although not featured with participating wineries at the festival, several other South American countries have significant and developing wine industries. **Peru** was South America's first major wine-growing region, with plantings dating back to the 1500s and Pizarro's conquest of the Incas. Pisco is both Peru's national drink, a grape brandy, and the port city close to where much of Peru's vines are planted.

Bolivia also has a long history of winemaking, but its current yield is relatively low, as the industry is only just reversing the long decline caused by phylloxera. More than 70% of the grapevines in Bolivia are Muscat, producing table wines and distilled into singani, a local brandy.

We are excited to showcase a wine from Bolivia at the South America Regional Tasting Station in the Tasting Room and at the trade-only plenary, *Southern Exposure*.

Wine is also produced in Colombia, Ecuador, Paraguay, and Venezuela, but not exported in significant quantities.
