## The Wine World is Here

### 45<sup>TH</sup> VANCOUVER INTERNATIONAL WINE FESTIVAL

1,150 wines • 12 countries • 147 wineries • 42 events • 8 days • 18,000 attendees

Welcome to the 2024 Vancouver International Wine Festival, Canada's premier wine show. The Tasting Room is the heart of the festival, where all 147 wineries gather together in one room to showcase their wines. Here are some tips to make the most of your tasting session.

- Plan your route – take a moment to look through the wineries and their wines and mark your must-tastes.
- Be international – try a wine from all 12 countries.
- Try something new – you could find your next go-to wine.
- Make notes, take a picture, give the wine a star. You'll want to remember what you liked later!
- Look for the blue lanyards – those are top winery personalities here to share their wines and stories with you.
- Share the space – step away from the table once you've had your taste and asked your questions.
- Use the rinse stations and spit cups – you don't have to finish every sample. Save your palate for the rest of the session!
- Pick up your favourite wines in the on-site BCLIQUOR store – you can check your purchase and return to the room, then have them delivered to your local store.
- Don't drink and drive – pick up a complimentary transit ticket at the Get Home Safe Booth in the liquor store.

# About the Festival

The Vancouver International Wine Festival, Canada's premier food and wine event, has three mandates: to provide an informative, educational and entertaining wine experience for public and trade; to be a premier marketing opportunity for the wine industry and festival partners; and to raise funds for the Bard on the Beach Theatre Society, which has been the charitable beneficiary since the 2013 festival.

VanWineFest grew from humble roots as a fundraising initiative for the former Vancouver Playhouse Theatre Company, dreamed up by the late John E. Levine. The inaugural festival in 1979 featured one vintner – Robert Mondavi – and saw approximately 1,000 people attend the two-day event at Hycroft, the Shaughnessy mansion owned by Vancouver's University Women's Club. By its fourth year, the festival had grown to attract 45 California wineries, becoming known as the California Wine Festival. The ninth festival in 1987 was the first multi-national event, with wineries from seven countries showcasing their wines. In 1988, VanWineFest moved to the Vancouver Convention Centre, where the main International Festival Tastings have been held ever since.

In 1996, VanWineFest began shining the spotlight on specific wine regions or countries by featuring a new area each year, with the French wine region Bordeaux as the inaugural theme. This year, the theme region is Italy, with 71 wineries featured.

Today, VanWineFest attracts some of the biggest industry names from around the world and is firmly established as the continent's premier wine event and among the biggest, best and oldest wine events in the world. It features wine tastings and pairings, gourmet dinners and luncheons, educational seminars, wine parties, and a charity wine auction and gala dinner.

This is a rare opportunity to meet owners, winemakers and senior representatives from wineries around the globe. For either the experienced wine lover or the novice, the festival has something to please every palate and pocketbook.

## Bacchanalia GALA DINNER + AUCTION

Honorary Chair: Howard Soon, M.C.

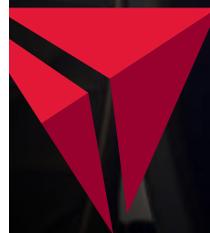

The main fundraising event for our charitable beneficiary, Bard on the Beach Shakespeare Festival, is the annual Bacchanalia Gala Dinner + Auction, presented by National Bank Private Banking 1859. It's one of the most spectacular wine and food events in the city – an evening of incredible wine, inventive food pairings, and unparalleled opportunities to enhance your wine cellar.

This year's Bacchanalia Gala kicked off with a Prosecco reception at 6 p.m., and featured eight additional outstanding wines from Italy paired with an exquisite five-course menu prepared by the Fairmont Hotel Vancouver's culinary team. Emcee's Christopher Gaze and Sophie Lui kept the evening flowing, until it was time to hit the dance floor. And if that's not enough, live and silent auctions throughout the evening featured extremely rare wines, and epicurean packages featuring arts and culinary experiences with Auctioneer Tim Ellison encouraging the bidding.

Experience California's viticultural tapestry, all in one captivating journey. Savour the range of flavors while uncovering how California winemakers are pioneering sustainability.

New Zealand Wine

## New Zealand Wine – Altogether Unique

New Zealand is a special part of the world, situated between the Tasman Sea and the South Pacific Ocean. We produce less than 1% of the world's wine but are recognised as one of the most premium wine-producing countries, with our distinct grape growing regions, diverse range of varieties, unique climatic conditions and imaginative viticulturists and winemakers.

Come join us at our Regional Booth this year, to taste through some of the best New Zealand has to offer!

## DISCOVER ITALY

### Discover Italy

Discovery Italy at this tasting station located at the gateway to the Italy theme section of the Tasting Room. ### Rinse Stations

Preserve your palate. There's no shame in spitting or dumping your wine after your first taste – that's what the pros do! Grab a spit cup with your wine glass; you can use it if you want to stay in one place and then empty the cup in the rinse stations around the room.

## Bard on the Beach – VanWineFest’s Beneficiary

Bard on the Beach is honoured and grateful to be the Vancouver International Wine Festival’s charitable beneficiary. The partnership helps Bard maintain its high artistic standards and educational programs, as well as supports accessible ticket prices for local residents, students and city visitors.

Bard is one of Canada’s largest not-for-profit professional theatre festivals, staging plays and special events every summer in modern theatre tents in a spectacular waterfront setting. The 35th Season, from **June 11 to September 21**, includes a romp through Illyria with **Twelfth Night** and contemporary **Hamlet** on the BMO Mainstage, and a hilarious and immersive **The Comedy of Errors**, plus a footloose take on **Measure for Measure** on the Howard Family Stage. Full details at [bardonthebeach.org](http://bardonthebeach.org)

Bard engages exceptional actors, directors, designers, and technicians each season, plus year-round administrative staff and teaching artists, and over 350 volunteers. Over 2 million patrons have enjoyed the Bard experience since 1990.

Bard’s innovative education programs include Summer Camps for children and youth, workshops for students and teachers, professional development events for theatre artists, and programs for all ages at the BMO Theatre Centre, Bard’s administrative home, and throughout the community.

The Festival is located at the site of Señákw/Vanier Park, on the ancestral lands of the xʷməθkʷəy̓əm (Musqueam), Sḵwx̱wú7mesh (Squamish) and səilwətaʔt (Tsleil-Waututh) peoples.
