46TH VANCOUVER INTERNATIONAL WINE FESTIVAL

1,000 wines • 15 countries • 120 wineries • 43 events • 8 days • 18,000 attendees

Welcome to the 2025 Vancouver International Wine Festival, Canada's premier wine show. The Tasting Room is the heart of the festival, where all 120 wineries gather together in one room to showcase their wines. Here are some tips to make the most of your tasting session.

- Plan your route – take a moment to look through the wineries and their wines and mark your must-tastes.
- Be international – try a wine from all 15 countries.
- Try something new – you could find your next go-to wine.
- Make notes, take a picture, give the wine a star. You'll want to remember what you liked later!
- Look for the blue lanyards – those are top winery personalities here to share their wines and stories with you.
- Share the space – step away from the table once you've had your taste and asked your questions.
- Use the spit cups and rinse stations – you don't have to finish every sample. Save your palate for the rest of the session!
- Pick up your favourite wines in the on-site BCLIQUOR store – you can check your purchase and return to the room, then have them delivered to your local store.
- Don't drink and drive – pick up a complimentary transit ticket at the Get Home Safe Booth in the liquor store..

ABOUT THE FESTIVAL

The Vancouver International Wine Festival, Canada's premier food and wine event, has three mandates: to provide an informative, educational and entertaining wine experience for public and trade; to be a premier marketing opportunity for the wine industry and festival partners; and to raise funds for the Bard on the Beach Theatre Society, which has been the charitable beneficiary since the 2013 festival.

VanWineFest grew from humble roots as a fundraising initiative for the former Vancouver Playhouse Theatre Company, dreamed up by the late John E. Levine. The inaugural festival in 1979 featured one vintner – Robert Mondavi – and saw approximately 1,000 people attend the two-day event at Hycroft, the Shaughnessy mansion owned by Vancouver's University Women's Club. By its fourth year, the festival had grown to attract 45 California wineries, becoming known as the California Wine Festival. The ninth festival in 1987 was the first multi-national event, with wineries from seven countries showcasing their wines. In 1988, VanWineFest moved to the Vancouver Convention Centre, where the International Festival Tastings have been held ever since.

In 1996, VanWineFest began shining the spotlight on specific wine regions or countries by featuring a new area each year, with the French wine region Bordeaux as the inaugural theme. This year, the theme region is West Coast Wines, with 50 wineries from California, Oregon, and Washington State featured.

Today, VanWineFest attracts some of the biggest industry names from around the world and is firmly established as the continent's premier wine event and among the biggest, best and oldest wine events in the world. It features wine tastings and pairings, gourmet dinners and luncheons, educational seminars, wine parties, and a charity wine auction and gala dinner.

This is a rare opportunity to meet owners, winemakers and senior representatives from wineries around the globe. For either the experienced wine lover or the novice, the festival has something to please every palate and pocketbook.

Bacchanalia GALA DINNER + AUCTION

📅 **Saturday, February 22**
📍 Fairmont Hotel Vancouver
🕒 6-11 p.m.

Honorary Gala Chair: Ray Signorello

The main fundraising event for our charitable beneficiary, Bard on the Beach Shakespeare Festival, is the annual Bacchanalia Gala Dinner + Auction, presented by National Bank Private Banking 1859. It's one of the most spectacular wine and food events in the city – an evening of incredible wine, inventive food pairings, and unparalleled opportunities to enhance your wine cellar.

This year's Bacchanalia Gala kicked off with a sparkling wine reception at 6 p.m., and featured seven additional outstanding wines paired with an exquisite five-course menu prepared by the Fairmont Hotel Vancouver's culinary team. All of this was topped off with music and dancing. And if that's not enough, live and silent auctions throughout the evening featured extremely rare wines, and epicurean packages featuring arts and culinary experiences. A must for any serious wine collector!

JUNE 10 to SEPTEMBER 20, 2025

Full Season details at bardonthebeach.org

Bard on the Beach – VanWineFest's Beneficiary

Bard on the Beach is honoured and grateful to be the Vancouver International Wine Festival's charitable beneficiary. The partnership helps Bard maintain its high artistic standards and educational programs, as well as supports accessible ticket prices for local residents, students and city visitors.

Bard is one of Canada's largest not-for-profit professional theatre festivals, staging plays and special events every summer in modern theatre tents in a spectacular waterfront setting. The 36th Season, from **June 10 to September 20**, includes a traditional telling of Shakespeare's wittiest comedy, *Much Ado About Nothing*, an '80s twist on *The Two Gentlemen of Verona*, the hilarious *The Complete Works of William Shakespeare (abridged) [revised] [again]*, and an intriguing new Canadian play, *The Dark Lady*. Full details at bardonthebeach.org

Bard engages exceptional actors, directors, designers, and technicians each season, plus year-round administrative staff and teaching artists, and over 350 volunteers. Over 2 million patrons have enjoyed the Bard experience since 1990.

Bard's innovative education programs include Summer Camps for children and youth, workshops for students and teachers, professional development events for theatre artists, and programs for all ages at the BMO Theatre Centre, Bard's administrative home, and throughout the community.

The Festival is located at the site of Señákw/Vanier Park, on the ancestral lands of the x'məθk'əyəm (Musqueam), Sḵw̓w̓7mesh (Squamish) and səlilwətaʔ (Tsleil-Waututh) peoples.
